* The re-admissions shown in the years 1870 to 1880 refer exclusively to persons re-admitted as tenants. In the years preceding 1870, the records of the Constabulary Department, from which this Return was compiled, do not indicate whether the persons re-admitted were re-admitted as caretakers or tenants. There is a note, however, in the record of the year 1849 to the effect that the majority of the re-admissions in that year were as caretakers only.
